Friendly Center is a comprehensive family and community resource center dedicated to improving the lives of children, adults, and seniors by helping them move toward self-sufficiency through immediate aid and a variety of educational and life skill programs.

Homework House provides free tutoring and mentoring for children who are at-risk for academic failure and dropping out of school. We give children with special needs a loving and caring environment. We help them improve their literary skills so they can become productive members of our community. We work towards rekindling their interest in learning and self-improvement one page at a time. Services are provided to school-age children without regard to race, religion, ethnicity, or sex.
