

Friendly Center is a comprehensive family and community resource center dedicated to improving the lives of children and adults by helping them move toward self-sufficiency through immediate aid and a variety of educational and life skill programs.

Last year, an astonishing 34,654 children and their families received fresh produce and bread through Friendly Center's Daily Food program, while 1,154 families received emergency help with rent and utility assistance, and 400 underachieving children enrolled in our tutoring programs. Friendly Center continues to improve the lives of families and communities—one friendly service at a time.
